a. Discovery Cut Off. All discovery in this case shall be initiated so that it will be completed on or before **August 20, 2020**.

b. Document Production. Document production shall be substantially completed by **March 5, 2020**.

required, upon request, to submit to a deposition at a place designated within this district. Exceptions to this general rule may be made by order of the Court or by agreement of the parties. A defendant who becomes a counterclaimant, cross-claimant, or third-party plaintiff shall be considered as having filed an action in this Court for the purpose of this provision.

f. Adjustment of Discovery Limits For Good Cause. The parties agree that the discovery limits specified herein may be adjusted upon a showing of good cause and subject to the agreement of the parties or the Court's consent.

disclosure of confidential information, counsel should confer and attempt to reach an agreement on a proposed form of order and submit it to the Court by **April 22, 2019**. Should counsel be unable to reach an agreement on a proposed form of order, counsel must follow the provisions of Paragraph 5(g) above.

Any proposed protective order must include the following paragraph:

Other Proceedings. The Joint Claim Construction Chart, in Word or WordPerfect format, shall be e-mailed simultaneously with filing to rga_civil@ded.uscourts.gov. The parties' Joint Claim Construction Chart should identify for the Court the term(s)/phrase(s) of the claim(s) in issue, and should include each party's proposed construction of the disputed claim language with citation(s) only to the intrinsic evidence in support of their respective proposed constructions.
